

## Suggested Home Learning Activities

### Reception March 2020

Here are some suggested ideas on how to support your child's learning during this uncertain time.

- Please refer to the handout provided during parental consultations regarding the Early Learning Goal expectations.
- Frequent opportunities for reading.
- Handwriting practise using the letter/number formation mantras (see attached)
- Revise and practise phonic sounds using sound mat (see attached) Use sounds to read and write words.
- Simple sentence writing to match a picture e.g.  
using capital letters and full stops
- Counting forwards and back in 1s, 2s, 5s and 10s.
- Addition and subtraction using numbers to twenty. Children could use objects (e.g. toys, counters, sweets), draw pictures or count on or back to find the answer (CPA)
- Listed below are a range of helpful websites
- <https://www.twinkl.co.uk/> Twinkl are offering a free months subscription using the username and password UKTWINKLHELPS (access EYFS section) with printable activities to support your child's learning.
- <https://www.phonicsplay.co.uk/freeIndex.htm> This site provides a range of phonic based games.
- <https://whiterosemaths.com/> Maths learning opportunities for EYFS are available on this site.
- <https://www.ictgames.com/> A range of English and Maths games for children to play.
