Mrs Angus's message...

As we return to school after what I hope has been a very enjoyable holiday for all families, teachers and children prepare for an exciting, though hard working half term ahead.

Next week we have parents evenings-a great chance to discover what your child has been enjoying at school, as well as how they are doing. Children in Year 1 and Year 2 will bring home their school reports on Friday, filled with many positives following great progress made in term 1. We continue to see the impact of Read, Write Inc, with children able to confidently write independently in all year groups.

We are trialing a new reporting system for our mid-year reports. Your comments will be appreciated, as we seek to share more information with you than our previous reports offered. Teaching staff have spent a great deal of time preparing reports - my thanks to them for their commitment and effort.

This week will see the first of our 25th anniversary events, with a large group of parents, both Mums and a Dad supporting Beverley Quinn in planning and designing a themed banner to be displayed in the school hall. This is the first of many exciting activities the children will be taking part in.

Thank you for your continued support.

Wendy Angus

We would like to remind you that we have a parents evening next week. Please come and share our books and progress!

Parking...

Just before the half term holiday, Hilary Hartnack (chair of governors) and I met with Councillor James Blackburn, Earl Belshaw and James Newell. Time was spent discussing the issues re parking and the dangers this presents to the children.

Following some discussions with parents, I was able to ask whether there was any

possibility of accessing school from behind the shops on Station Road (putting in steps and an access gate) and whether a turning circle outside the school gates was a possibility. We will meet again shortly. We plan to install a bike/scooter parking point during the summer term. Your support in endeavouring not to bring cars to school whenever possible is much appreciated.
