The Snow Queen **Quantum Theatre**

The children in all classes thoroughly enjoyed the performance of 'The Snow Queen' by the Quantum Theatre last Wednesday. This was very appropriate in view of the wintry conditions of snow and ice that the children experienced during the week. They developed their understanding of this famous tale and the victory of 'good' over 'evil' was very well received.

Dear parent,

After a cold and icy fortnight at school, we would like to thank parents for their support in bringing children to school along icy pathways.

Quantum theatre performed the 'Snow Queen' in the school hall on Wednesday of last week. This was an exciting production that captured the interest of even our youngest children who watched, transfixed.

I am sure you will be pleased to know that our children who were assessed for the gold anti-bullying award were successful. They received the certificate last week and are very proud of this achievement.

It has been a very busy fortnight in school and we have had visitors from other schools to observe teaching. Time has been spent planning a number of visits out of school for the children, linked to their current learning themes. Year 1 classes will visit the glass centre and complete a sculpture walk. This is dependent on the weather as the children will be walking between the sculptures.

Our class assemblies began this week with both class 1 and class 2 displaying their many talents for enthusiastic family members.

Best wishes

Wendy Angus

Classes 1 and 2 begin our assembly programme...

We were very fortunate this week to have two class assemblies. The children in both classes 1 and 2 performed brilliantly to entertain their audiences and to successfully convey important information. The test for class 2 was when children in reception, year 1 and year 2 could answer my questions at the end of the assembly. Our thanks go to the children and of course their teachers for enabling this to happen—Mrs McCain, Mrs Cowley, Mrs Robson and Ms Boucher.

PE at Grange Park

A group of year 2 children went to Grange Park to demonstrate the teaching of gymnastics to a group of trainee teachers. Thank you Ms Pickford and year 2.

We enjoyed making porridge—and eating it!

Being creative.

Nursery news...

Registration We are signing in using our handprints...

Don't worry Evan. Staff DO mark the register so we ensure that every child is accounted for during fire drills.

January Birthdays

Congratulations children.

We hope you have a very enjoyable day!
