The Newsletter of Fulwell Infant School Academy
Mrs Angus's message...

Dear parent,

In the final newsletter of this academic year, may I thank all staff for their dedication, commitment and hard working in providing a first class education for the children of Fulwell. AS our results in all year groups show, the standards achieved by the children are amongst the very best.

Our thanks also go to their parents, for their support and enthusiasm for all the many events that have taken place this year. Thank you. None of this is possible without your understanding and support.

We would like to wish every family a healthy, happy summer break, in weather that for once looks very promising. We look forward to children returning to school on Tuesday 3rd September 2013.
