Nursery parents enjoy the activities!

Nursery parents enjoyed spending time with their parents in nursery. Nursery staff also enjoyed the meetings and would like to thank parents for their continuing support.

E safety We have arranged a meeting for parents at 5pm on 13th January 2014, in the school hall. Mark Lloyd will be advising parents on keeping children safe on-line. PLEASE COME!

Dear parent,

As Christmas approaches, school prepares today for 'magic night'. Monday morning should introduce the magic of Christmas into the school environment, with classrooms decorated and the hall proudly presenting the Christmas tree.

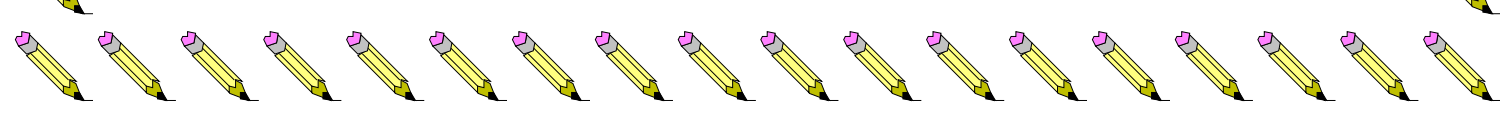

And then it begins! The diary attached has details of times and events in a very packed three weeks. There have been no changes to the Christmas arrangements from the original diary. No tickets will be issued for performances, and we hope that 2 performances will allow all who wish to share this occasion the opportunity to do so.

In school this week, all children thoroughly enjoyed a range of maths challenges, as the happy puzzle company provided a range of activities. The photographs on page 3 evidence the concentration and team work involved.

News on next terms after school clubs is coming out tonight—please return replies as soon as possible to help our organisation.

Best wishes

Wendy Angus

As we use the P.E. and sport funding the government have provided, gymnastics coaching has been introduced in Year 2 on a Friday afternoon. The children are working towards awards and also competitions in the summer term. It is hard work and demands excellent behaviour and concentration as well as a commitment to keeping trying...
