Number 13
9th March 2018

Dear parent,

The weather last week was terrible across the country. It has been essential to stay safe and keep warm! During this time, we were forced to close for two days due to the number of staff who just couldn't get to school. We hope that the worst is over and the children who returned to school on Friday were very excited. Only the odd one or two children said they would have liked another day off. Children are very perceptive and a year 1 child told me he thought it must have been really difficult to decide whether school should be open or closed. He was right. Much thought and discussions with Fulwell Juniors took place. If this happens again, we will try our best to inform parents a little earlier.

We are planning activities around the Tall Ship's Race that will arrive in Sunderland in July. The activities will have a 'history' focus and take place during the week of 19th March 2018.

Sofia met this week and are planning some exciting events in the coming weeks.

On a very positive note, thank you to class 4 staff and children for their super assembly, delayed due to the weather. The children know so much about India. Thank you to Swarit's mammy for helping in so many ways. And today, class 5 parents enjoyed their assembly.

Wendy Angus

Nursery children enjoyed a delayed World Book Day. They came in fabulous costumes and listened to lots of stories!

World Book Day

Tall Ships Race

In the week beginning 19th March, we will be celebrating the Tall Ship's Race, arriving in Sunderland in July. We have a visitor to school booked in and are hoping the children will learn lots about life at sea in years gone by.

February/March

Birthdays (up to 9th)

Congratulations children.

We hope you have a very enjoyable day!
