Number 14  
23rd March 2018

Dear parent,

This fortnight has seen the completion of our parent interviews as well as a week in school to celebrate the forthcoming Tall Ships Race in Sunderland. As part of this work, year 2 classes will visit the Glass Centre in April to see vessels in a bottle being made. Classes will all construct their own class Tall Ship in the coming weeks and children were very excited when Naomi, from Sunderland University, came and spoke to them about taking part in the Tall Ship's race 25 years ago. She is crewing again in July. SOFIA have subsidised this event for the children. There were also class pictures made to celebrate Easter and these were displayed in shops in Sea Road. The children identified where the class pictures were and everyone was rewarded with a chocolate lolly from Sofia.

Year 2 children joined a skipping challenge last week and came back with a number of certificates and bronze and silver medals. Well done children., Miss Birchall tells us you had fun!

Many thanks to parents completing the nursery extra place survey. The response is very positive and we are now proactively working towards implementation for September. Governors were fully supportive and asked that parents of potential nursery children were made aware that Redby after school club offer wrap around care for families requiring this in addition to 30 hour places.

Wendy Angus

## Easter Picture Hunt

The Easter pictures are up in the Sea Road shops. There are nine to find. You'll have to look hard to find them! Start at the traffic lights, there are pictures on both sides of the road and you'll have to look just inside the door of one of the shops to find it.

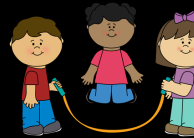

**SOFIA**

## May Discos

We'd love to hold some discos after school for the children during May. To do this we will need some parents to help on the night. Please get in touch if you would like further information and think you may be able to help? [Clairedensmith@googlemail.com](mailto:Clairedensmith@googlemail.com).

Year 2 children went to City Space and took part in a skipping competition.

# Congratulations!

Our congratulations go to Ellie white, who won the child achievement award at the Stadium of Light last Thursday. This was in recognition for her talent in dancing and all the many, many trophies she has won. We are VERY proud of you Ellie.

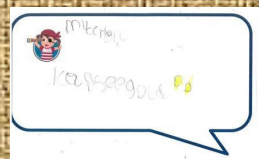

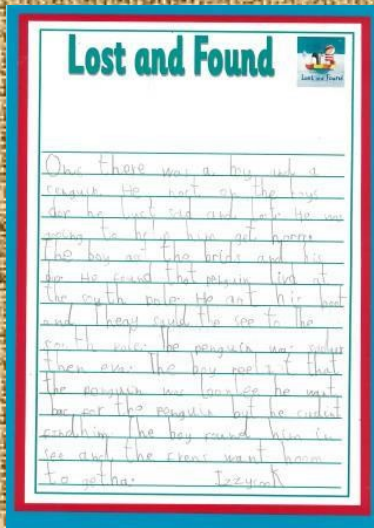

We welcomed Naomi from Sunderland University on Wednesday afternoon. She talked to us about becoming a sailor. 25 years ago she sailed in the Tall Ships race and she will be doing so again this summer. We asked her lots of questions as we learnt about the history of the Tall Ships race.

## Look at our writing!
