Mrs Angus's message...

Number 10
16th February 2024

Dear parents,

Half term approaches and we are all hoping for some 'dry' weather for the children to enjoy outdoors. Class 2 arrived at the Glass Centre for their glass blowing experience very wet indeed last week.

We have enjoyed all Year 2 assemblies in the last few weeks and class 4 led our assembly for parents this Friday. What marvellous dancers they are. Their confidence and performance made everyone so proud.

Last week in school the children completed a range of activities designed to support their mental health. They LOVED making their positivity jars and spent time during the week talking about and sharing lots of information about the importance of qualities such as kindness. They know that every voice matters and we discussed this during assemblies. They also impressed me with their knowledge about where to get help if they needed it. Mrs Robson continues her important work with ELSA and led some yoga sessions with classes as the children learnt how to relax. Some of the photos in this newsletter evidence this taking place.

We were very proud of our Year 2 gymnastics team who went to Monkwearmouth and won the competition! They proudly wore their medals in assembly.

It is with great sadness that we say goodbye to Mrs Goodall as she takes up her new post as part of a cabin crew team after half term. We will miss her greatly and thank her for everything she has done at school over many years.

We welcome some new members of staff into Nursery after the holidays, Mrs Atkinson, Ms Stockwell and Miss Bertram who are all joining the team.

I hope that everyone has an enjoyable half term break and that our hard working staff enjoy some well deserved relaxation and down time. Looking forward to seeing all children back at school on Monday 26th February.

Goodbye and Thank you!

Mrs Goodall led Den Building with Year 1 classes. It was great fun, lots of team work and plenty of mud! She enjoyed time with Reception classes this morning.

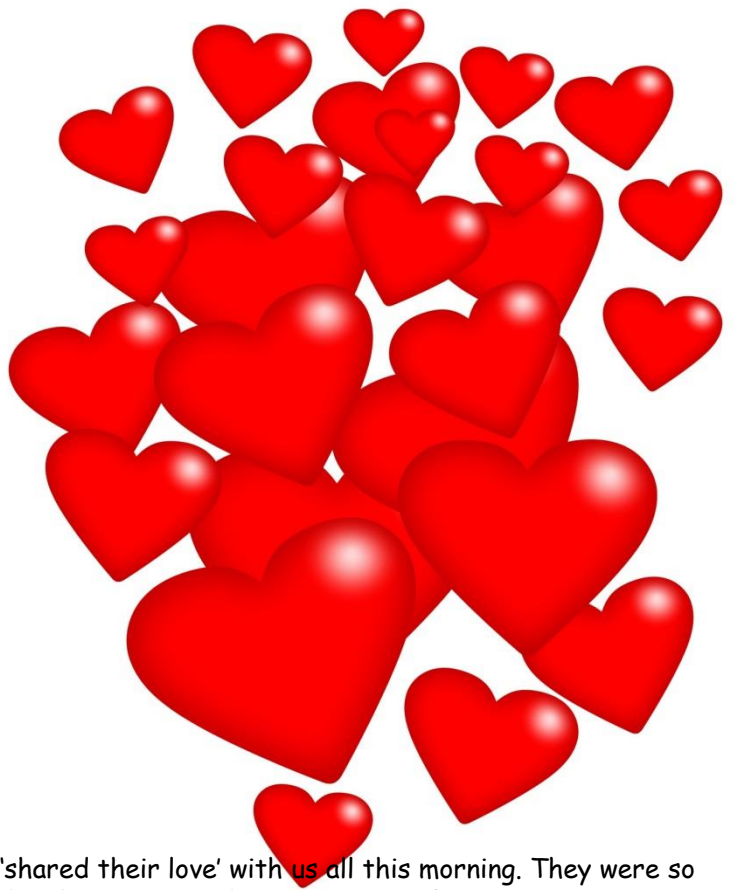

Year 2 children walked to Monkwearmouth to perform against other schools in a gymnastics competition. Mrs Meechan had worked with them in preparation and was so impressed with how they did.

THEY WON!!
For the first time in many years the children came first. We are very proud of them... They were supported by ex-Fulwell pupils.

Class 4 taught us all about St Valentine and 'shared their love' with us all this morning. They were so confident and dancing was superb. Their packed audience enjoyed every minute of it.

ART AND DESIGN

Reception children outdoors with Mrs Goodall. Using clay to make 3-D images.

ART AND DESIGN

Class 2 were the first Year 2 class to visit the Glass Centre, observe glass blowing first hand, look around the displays of Art and then design and make their own glass pieces..

DESIGN TECHNOLOGY

Reception children loved making and eating pancakes this week!
