13th December 2024

Dear parent,
Christmas is nearly here - there has been lots of excitement and enjoyment in the last fortnight. I am certain parents would agree that the children's nativity performances have been a joy to share. This week finished with the first Nursery performance with all other year groups performing during the week. Many thanks to Dr Renwick and the teaching team for their work with the children and to the children for being able to perform to this standard at such a young age. We certainly feel Christmas is almost here!

Today (as the photos reveal), Chris Bostock led performances for all three year groups with performances of 'Mouse House' (Reception and Year 1) and 'Wintery Tales' (Year 2). The photos captured the children's enjoyment. Many, many thanks to SCPIA who have paid for this for the children and for their work during the week serving hot chocolate and selling Christmas 'gifts' before and after the Nativities.

Class 7
During the Christmas holidays, class 7 will have the large cupboard removed from the classroom. This will create additional space for the children to enjoy in January. This is the smallest of our Reception classrooms but the work will even up the space available. The work will be completed for our January return to school.

Year 2 children will perform at the Stack on Thursday afternoon and Nursery have the final nativity on Monday morning. We have special assemblies next week for Mrs Cockton and Mrs Robson who will both leave us at Christmas. They have had such a positive impact on so many Fulwell children as they have progressed through school. I know parents will join with us in wishing them both a long and happy retirement.

The Mouse House and Wintery Tales - Chris Bostock

YEAR 2 children worked with clay.

SCULPTURE in ART

Year 2 children completed Hansel and Gretel cottage designs in clay. They will be coming home for Christmas. They also stitched Christmas puddings - quite a task! Next week Year 1 children are designing and making post trolleys in DT.

Thank you Mrs Robson

After 40 plus years of teaching all of which has taken place in Fulwell Infant School Academy Mrs Robson retires on Friday 20th December 2024.

Not only an exceptional teacher she served as an exemplary member of the senior leadership team, setting a standard of excellence that will endure long after her retirement.

It is not often that we encounter individuals who leave such a profound and lasting impact on our lives. Mrs Robson has been a guiding light, a mentor, and a friend to so many of us. Her compassion, wisdom, and dedication have made our school a better place, and for that, we are eternally grateful. As we bid farewell to Mrs Robson, let us celebrate her remarkable career and the countless lives she has touched and I know that her influence will continue to shape the future of education for years to come.

Thank you, Beverley, for 40 plus years of unwavering dedication, for your tireless commitment to our pupils, and for being a source of inspiration to us all. You will be dearly missed, but your legacy will live on in the hearts of those whose lives you have touched.

Congratulations on your well-deserved retirement, and may the next chapter of your life be filled with joy, fulfilment, and continued success.
