Dear Parents,

It's been a busy and joyful few weeks in school, filled with exciting events, proud moments, and (mostly!) lovely weather.

Two weeks ago, we were thrilled to stage the Dance Festival, where our children performed with such confidence, creativity, and enthusiasm. We were especially lucky to dodge the downpour that came shortly after! A big thank you to everyone who came to cheer the children on - they truly shone. A big thank you to all teachers and particularly Mrs Meechan who supported others with her dance teacher skills. This week began with Year 2's swashbuckling pirate fun fight, a fun and imaginative way to launch the week. Later, the children enjoyed a brilliant visit to Hartlepool, where they explored the historic maritime setting and brought their learning to life. Their behaviour and enthusiasm were a credit to the school.

Today, the Nursery end-of-week children were delighted by a special visit from some friendly farm animals! Thelma and Rhubarb, two very gentle guinea pigs, were a big hit as the children took turns stroking their soft fur and watching them nibble on carrots. There were also some cheeky goats who made everyone laugh with their playful antics and bouncy energy. The children loved watching them explore and even got to help feed them. It was a lovely way to end the week—full of curiosity, giggles, and hands-on fun with our furry farmyard friends!

We also loved welcoming families to the Year 1 Book Share on the field, which was a lovely opportunity for children to proudly share their reading and enjoy some relaxed time outdoors with you all. Looking ahead, we're very excited for Sports Week, starting Monday. Children are invited to wear sports gear every day as they take part in a wide range of fun and active events. Please note: Year 2 must wear full school uniform on Friday for their end-of-year concert. Families are warmly invited to attend either the 9:30am or 2:15pm performance. As always, thank you for your continued support - it's been a wonderful few weeks, and we look forward to ending the term on a high!

India Day

Thursday 10th July 2025

On Tuesday India day I was excited
because I thought that it would be a
good day. I was wearing a vest top
it was very colorful. First I did some
Bollywood and Bharata dancing. Bharata
was my favourite because I like
energetic songs and fast dancing.
I love dancing. I was very happy.
Next I had lovely lunch with Mrs
Gerry but I didn't like the Cofonyt
water. It was my least favourite. The
Poppadoms were my favourite. But there
were biscuits and also naan bread.
